The ingredients & final products are tested and analysed by our Quality Control Department (and in our microbiological laboratory) and the results are available for total transparency and quality assurance.

Balkan Pharmaceuticals has stood the test of time, with thousands of healthcare products using the latest breakthroughs in nutritional science and the finest ingredients to provide supplements of high quality and value.

SUPPLY: 30 capsules of 200/400 mg

### Benefits

**Energy Boost**

Ginseng invigorates your mind and body. It shows good results in helping people with chronic fatigue and is highly recommended for people who feel weak and tired;

**Sharper cognitive function**

Ginseng may improve thinking processes and cognition, boosting clarity and increasing capacity for longer memory. Studies show that ginseng can reduce oxidative stress, which could lead to enhancement in cognitive function.

**Anti-inflammatory effects**

Ginseng may reduce inflammation. According to a 2020 study Trusted Source, ginsenosides, the active components of ginseng, may target pathways in the immune system that could reduce inflammation.

**Sexual health**

Ginseng supplements promote healthy blood circulation. A healthy blood flow is essential to sexual health and increased strength for both males and females.

**Lowering blood sugar**

Many studies suggest that ginseng may help lower blood sugar and help treat diabetes. Ginsenosides may affect insulin production in the pancreas and improve insulin resistance using other mechanisms.

**Recommended Use**

Recommended use: As a dietary supplement for adults take 1 capsule daily, during meal, with sufficient quantity of water or as directed by your healthcare professional.

**Warnings:**

Do not exceed the recommended daily dose. Do not use the product as a substitute for a varied and balanced diet. Only for adults over 18 years. Not intended for use by pregnant and nursing women. Consult a healthcare practitioner if you have or suspect a serious medical condition or if you use any medications as extracts may alter the potency and/or side effects of certain medications. Take product with food if you experience stomach upset. Stop using if you are allergic to any of the ingredients. Discontinue use if any adverse reaction occurs. Keep out of reach of children and pets. Store in a cool and dry place, away from direct sunlight and moisture. This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.
